Paradise awaits in this breathtaking spectacular home. One of kind custom home, 3.53 acres with exquisite views and grounds – The Crown Jewel of Beacon Hill. The Backyard Oasis features an inground Pugliese Pool and Spa, professional landscaping, lush gardens and deck that wraps the rear of the home and overlooks the perfection of it all.

A phenomenal two-story Foyer with double circular staircase, marble floors, custom circle top windows lead you into a sun-drenched Living Room and formal Dining Room with Butler's pantry with granite, sink, two beverage coolers and custom cabinetry. The stately Great Room is adjacent to the Library with raised wood panels & built-ins. Highlights are four gas burning fireplaces, hardwood floors with inlay and custom millwork. The Conservatory with 2 sets of French doors from the Living Room, hosts marble floors, tray ceiling, fireplace and walls of windows. The sunlit gourmet Kitchen features stainless appliances, granite center island, desk, custom wood cabinetry and Breakfast Area with sliders to the Deck with amazing views of far away hills. The Laundry Room, Powder Room, additional storage and attached oversized 3-Garage complete this level.
